

# Life-Force®

## Backyard Blooms™ - Organic

An organic, concentrated liquid fertiliser to optimise flower, fruit and vegetable production.

Plants and trees that bear fruit, vegetables and flowers require potassium. A lack of potassium can reduce the quality, quantity and health of produce. Backyard Blooms™ offer a highly available form of potassium which plants and trees can easily access.

### Benefits

- Biological Farmers of Australia (BFA) registered product 456AI.
- Highly available form of potassium for fruit, vegetable and flower production.
- Easy to use liquid fertiliser that can be used in conjunction with Backyard Boost™ for a complete fertilising solution.
- Enhances photosynthesis for optimum plant health.
- Manufactured by Australian world leaders in biological agriculture.

### PACKAGING

1 L  
Product Code: LFBYBL

# Life-Force<sup>®</sup>

## Backyard Blooms<sup>™</sup> - Organic

### Application Rates

Dilute a capful of Backyard Blooms<sup>™</sup> into 5 L of water and apply mix to soil and foliage. Ideally, repeat weekly for vegetables and monthly for fruit trees and ornamentals.

### Storage & Handling

- Compatibility and/or performance cannot be guaranteed when combined with other products. Jar test for compatibility and spray test on small area before wide-spread use. When combining with other chemicals, add this product to the tank last.
- Store in cool dry area out of direct sunlight. This product has been tested to store safely down to 5°C. Crystallisation or sedimentation may occur below 5°C.
- Shake concentrate thoroughly before adding to partially filled tank.
- Do not pre-mix or store in diluted form, and use promptly once opened.
- All foliar sprays perform best when applied early morning or late afternoon.

### Typical Analysis w/v

Potassium (as citrate).....	35.2%
pH.....	7.5
Specific Gravity .....	1.42
Conductivity .....	90 mS/cm
